Serial No.

1) As will be seen from the first G.O. dt 26.6.48, the expenditure connected with the Minister's visits to T.V.A and certain other Works and factories in U.S.A. and to industrial Works in Europe is to be borne by Govt. The expenditure was first estimated at ₹ 500 at the outside, and has since been fixed at ₹ 600, and the excess of ₹ 100 has been sanctioned. M

2) While the statement of account furnished by the Minister has been taken into consideration in raising the amount of Govt. subsidy from ₹ 500 to ₹ 600, he sanctioned the statement of account has been sent by Govt. to the Comptroller for adjusting the amount drawn as advance. As the Govt. are not meeting the entire cost of the tour as shown in the statement of account which shows a deficit, it is perhaps not necessary to furnish any statement of account to the Comptroller. The Comptroller may be asked to adjust the amount finally as proposed by him, if approved. N
